### SLCA LOGO

The SLCA board has decided that it is time for a new design for the logo. They are asking members to use their creativity to come up with an appropriate design.

All designs need to be submitted to [summitlakeslca@gmail.com](mailto:summitlakeslca@gmail.com) by December 31st. Bragging rights and the first sweatshirt off the line with the new logo will be the prize.

## Summit Lake Community Center

### The Summit Lake Community Center is available to be rented for your events!

Amenities include a full kitchen loaded with several fridges, two stoves with ovens, tons of counter space, dishes, silverware, and more. A stage and music/sound system are available for live bands, Karaoke, family sing-a-longs, etc. Plenty of chairs and tables available for your use. Added bonuses include the large parking lot, grassy area, horseshoe pits, and two bathrooms.

Rental fee for members is \$100, and for non-members \$250.

For more information or to check availability, please submit your request via email to [summitlakeslca@gmail.com](mailto:summitlakeslca@gmail.com).

## General Membership Meeting Minutes

**SLCA GENERAL MEMBERSHIP MEETING** - No General Meeting has been conducted since the last edition of the Newsletter. The next General Meeting will be held on Friday, October 4, with a potluck preceding the meeting. Initial officer nominations for the 2020 board will be accepted at this meeting, with final nominations and elections to be held at the November 1 General Meeting.

## SLCA Community Yard Sale

Thanks to all that participated in the 2019 Community Yard Sale held at the Community Center on August 10, and a special thanks to Joni Fuchs who chaired and coordinated this event. Thanks to the wonderful donations of our SL residents we raised almost \$1200!

Here's Joni's comments:

*A big thanks to everyone donated , our customers , and especially those that helped with the sale!*

*A big thanks to the Roberts for the donation of a beautiful canvas car port which the Association immediately snagged ... and Vining's for a generator which SLCA also snagged! The carport will come in handy at our events in the future.*

*Logo items sold were almost \$460 and we got one new Membership! ☺*

*Nancy Nole donated her left over merchandise to the SLCA ! Everything worth while was put in the Clubhouse to try again at the Picnic with a jar for donations!*

*A special thank you to Craig Fuchs, Deb Martinelli, Judy Swenson, and Gerry Brannberg for all their help! Thank goodness for the Swensons and Cyndie Sundstrom for helping us shut down. Almost forgot a big thanks to our favorite customers Linda and Priscilla ! They manage to entertain us each year and keep us laughing!*

## ***SLCA Annual Picnic***

Thanks to all that participated in the 2019 Annual Picnic held at the Community Center on August 17, and a special thanks to Craig Edwards and Joni Fuchs who chaired and coordinated this event, Joni Fuchs who manned the Summit Lake logo items booth, and to Craig Edwards and Craig Fuchs who did the BBQ.

As always, the food was delicious and an enjoyable time of partaking in the food and cordial friendship was had by all, along with a rock band concert, beer and bonfire with s'mores. A big hooray for the "On The Rocks" band who provided the musical concert on the lawn following the food fest.

## Community Center Upgrades

A lot of things have been happening at the Community Center over the last several months. The interior has been entirely renovated with a new paint scheme, renovated cabinets, a new stove added, bathrooms remodeled, new lighting, and the rear porch storage area refurbished. Also the roof has been cleared of moss, and the parking lot and entries have been repaired. All of this work has been accomplished with volunteer help and minimal cost to the SLCA. A BIG thank you to all the volunteers who have worked diligently to make this happen, and for the donations of

funds and materials used in the process. Special thanks is due to our SLCA president, Craig Edwards and our SLCA secretary, Joni Fuchs for organizing and ram-rodging this effort thus far.

Since the last newsletter was published, gates at the parking lot entrances and a cable fence across between gates have been added to protect the property from unauthorized use and damage to the parking lot and lawns by vehicles using the property as an off-road playground. All SLCA members are authorized for access to the property. The gate access code for members is 3030.

Also, work has been done on repairing/rebuilding the storage shed/pump house by a Saturday work group. Those that attended the Annual Picnic could see the in-progress work on the shed.

The great looking finished product seen here should serve well and last a good long time. A big thanks to Craig Edwards, Kerry Hart, and others for their efforts to complete this much needed project

### Old Photos for Clubhouse and Calendar

We are needing old photos of Summit Lake for display in the Clubhouse and current pictures for the Calendar. If you have any, email your pictures to [summitlakeslca@gmail.com](mailto:summitlakeslca@gmail.com), or if you have only paper or slide photos, contact Joni at that email address to have them duplicated and returned.

## ***General Meeting Minutes***

There has been no General Meeting of the SLCA since the June meeting for which minutes were provided in the prior newsletter. Be sure to attend the October 4, 2019 General Meeting.

## ***Summit Lake Emergency Preparedness Update***

As we do not currently have a chairman for the Emergency Preparedness (EP) committee, there is no ongoing work being done in this area. If you are interested in this area of need, and would be willing to lead this effort, please contact President Craig Edwards at [craigjpe@yahoo.com](mailto:craigjpe@yahoo.com), or Duane Englin.

### **Emergency Kit Basics**

- Two-week supply of bottled water
- Flashlight with extra batteries
- Candles, holders and matches
- Battery-powered radio with fresh batteries
- Manual (non-electric) can opener
- One-week supply of baby formula, diapers, etc., if applicable
- Vacuum bottle to keep drinks hot
- Dry firewood, kindling and paper
- Extra blankets or sleeping bags
- One-week supply of non-perishable food
- Windup or battery-operated clock

## ***Water Quality Report***

No significant issues with water quality have been reported since the last issue of the SLCA Newsletter. Everyone has been enjoying the clear clean water of Summit Lake this summer and early fall.

Thurston County Environmental Health put out this notice recently:

"The Environmental Protection Agency (EPA) Region 10 may be able to offer a cyanobacteria identification session for lake residents and/or citizen scientists from an EPA cyanobacteria specialist while she is in Washington for a workshop in Seattle. We are gaging interest from residents and citizens for this workshop. IF it were to happen, it would probably take place on October 11<sup>th</sup> in either Seattle or Bellevue."

No further information has been posted at this time.

## ***Special District Vote***

Summit Lake watershed property owners voted overwhelming against setting up a Special District at Summit Lake during the special election in August.

Perhaps instead of being divided by the issue, we can now get together and move forward with some reasonable level of testing and evaluation of the lake water quality and its effect on our drinking water and recreation opportunities.

## ***SLCA President's Report***

Howdy Summitarians,

It's been a great year at the SLCA this year, with attendance up at the functions . We had a record number of kids for the Easter egg hunt, and our fisherman's breakfast attendance was up with more residents than fisherman for the first time. We introduced an ice cream social which was a hit, and our annual picnic had music and dancing, beer garden and a bon fire with s'mores. It was loads of fun. Functions like these can make lasting family memories. We have had a significant increase in donations and volunteerism. I encourage everyone to get involved, as it is a great way to meet your neighbors in a fun and worthwhile environment here at the SLCA ! It has given our family great satisfaction in making a difference in our community.

The remodel of the community club this year has helped with the renting of the clubhouse and if you haven't seen it yet, do, and please consider it for your family functions. It's really nice.

The new security gates and fence have kept the parking lot nice and stopped the vandalism such as the tearing up of our lawns by 4 wheel drives.

We have started phase 1 on the 4 acre parcel around the clubhouse with select logging to start shortly. Also, paving of our parking lot and making a basketball and pickle ball area will start soon depending on weather.

It has been a tough year with the water issues but hopefully we can come together now and go forward together as a community.

We have our nominations for the board coming up and we will have a couple trustee positions open. Come join us at the Oct 4th meeting and have some fun while getting to know your community.

Thanks everyone for a great year of fun at Summit Lake.

Craig Edwards, President (head cheese whiz)

## ***SLCA Property Planning Update***

**Community Center Projects**—Board recommendations on additional Community Center projects and potential timber harvesting were addressed at the June general meeting. A motion was made and passed to proceed with Phase 1 of selective logging on the SLCA property to provide better use of the property and generate project funds. This is to be further discussed at the October association meeting along with clubhouse maintenance and upgrade projects.

**Turkey Road lot sale**—This was discussed at the June general meeting, and the membership expressed concern that selling the property will no longer give the SLCA legal access to the lake or any say in lake matters. The discussion was been tabled until a future time and more information is provided to the membership.

## Lake Life

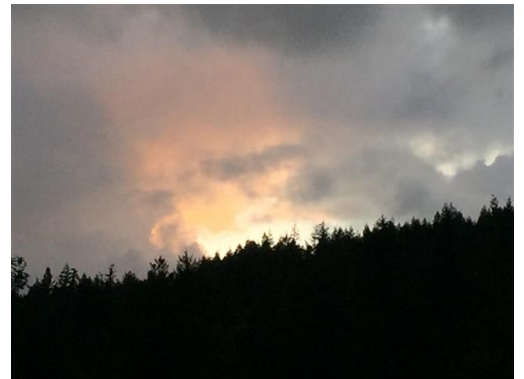

The intent of this section of the newsletter is to provide interesting pictures of things and activities around Summit Lake. If you have inputs of items that would be of interest to other residents, please submit them to : [summitlakenews@gmail.com](mailto:summitlakenews@gmail.com)

### FALL IS HERE

With the fall equinox behind us, summer is officially over and we are seeing the emergence of beautiful fall colors. Although we can hope for some nice weather still for enjoyment of lake recreation, we can also look forward to the rain and storms of the fall and winter season on the lake. Make sure that all of your floating toys and docks are put away or securely tethered, or the storms will take them away (as we have already seen by the "Lost and Found" section).

Looking for pinochle players that are interested in playing once or twice a month. Would like to have one to two tables. If interested please come to the Clubhouse on October 17, and we can set future dates and times. For more information, contact Joni Fuchs ([joni49\\_fuchs@yahoo.com](mailto:joni49_fuchs@yahoo.com)).

### Ready or not, Christmas is just around the corner.

Our Santa Party will be December 14 th at 10:00AM  
Santa's arrival at the Community Center is going to be about 10:30AM

The kids will be able to decorate Christmas cookies and an ornament. Mrs. Claus will have Santa's special cocoa and cookies served by a few of Santa's special elves! Kids can have their pictures separately and/or with family if wanted.

We are going to ask that this year each family bring a wrapped present (under \$5 ) with their kids first and last name on it for Santa to give your child. If you contact SLCA with your child(ren)'s name and mailing address they will get a special invite from Santa . Send it to [summitlakeslca@gmail.com](mailto:summitlakeslca@gmail.com). We must receive names by November 30 to make sure their invite is in the mail!

## Lake Life

*hello!*  
*goodbye!*

Goodbye — Ron and Debbie Lazara, who have served on the SLCA Board for many years. Ron was President of SLCA for six years and Debbie will always be remembered for her Easter Egg Hunts she put on each year. We are sorry to see the Lazaras move away.

Hello — We say hello to the family that bought Lazaras home. The new owners are Steffan and Kassie Henderson. Daughters are London and Paris ages 8 & 6, who are excited to go to Griffin. Debbie tells me the family is excited to participate in the activities the Summit Lake Community puts on.

Goodbye — Rich and Ruby Vining. These two have been familiar faces at the lake and at SLCA functions. We know we will get to see them still as their daughter Richelle Gonzales and her husband Manuel are still here on the lake! Best wishes to you and your new home.

Goodbye and Hello— We got to say a goodbye but also a hello to Vaughn Hodgins and Tracey Larsen! They moved for a few weeks to the big city of Bellevue but they missed us so much.... they moved back and took their house off the market!

"Dollhouse Mike " AKA Mike Neff added a "Mrs Neff," AKA Melissa recently! Congratulations to the new couple. In case you don't know Mike, his band played for SLCA picnic and they were quite the hit! His band has also been know to play on their pontoon boat and do concerts up and down the lake! Some say the fish bite better after one of Rock Replays' concerts on the water.

## Lost and Found

### LOST

NOTE: If you have something lost or found that you would like to post in the newsletter, please email the information to "summitlakenews@gmail.com".

Gary Bruebaker reported a white/light gray Cobra Fish-n-Dive Kayak missing. Gary thinks the wind took it for a ride. If you have seen it, please contact him at 503-930-4000.

Janelle Sebesta, 703 Summit Lake Shore Rd, reported that her floating dock floated away and was hoping someone found it. Her number is 360-402-5918.

## Lake Life

### Summit Lake Cookbook

One thing Summit Lake has plenty of is great cooks! Several of us are wanting to put together a Summit Lake Cookbook from all the cooks out here in this area.

If you have just one or maybe twelve recipes that are your favorites, please send them to Joni at [joni49\\_fuchs@yahoo.com](mailto:joni49_fuchs@yahoo.com).

Are you looking for a local place to worship, or feel the need for some spiritual guidance? Do you know that there is a church at Summit Lake? Although not affiliated with SLCA, the Summit Lake Community Church is located on property adjacent to the Summit Lake Community Center on Fellowship Lane off of Summit Lake Road. The following is a note from the pastor of Summit Lake Community Church.

Hello Summit Lake Friends,

Are you tired of trying to prove yourself or earn your way through life? Are you sick of the pressures and judgments of our world? Do you feel exhausted from trying to be someone else and wish you could just be accepted for who you are? If so, we would love to have you visit Summit Lake Community Church.

We are a small, intimate, and family-friendly group of people learning what it means to rest in the love of our Creator. Unlike the people around us, and the voices within us, He is not a demanding task-master, but is infinite grace and mercy. Every week we meet together to celebrate Him in worship with one another. Get acquainted with us on our website, [www.summitlakecommunitychurch.org](http://www.summitlakecommunitychurch.org), and come out on a Sunday to hear the good news of God's love for you. You may just find the freedom, healing, and relief your soul longs for.

Our Sunday School classes for all ages begin at 10am, followed by the worship service at 11am.

We hope to meet you soon!

Sincerely,

Pastor Jeff Pierce

**1 John 4:12** – *No one has seen God at any time; if we love one another, God abides in us, and His love is perfected in us.*

# What Is The SLCA?

The Summit Lake Community Association is just that (a Community Association)! It is a non-profit volunteer based organization in existence for the betterment of the community. That includes but is not limited to social events so that we can interact and get to know one another, events that improve the community such as the lake road clean-up, emergency preparedness team, and water quality team, as well as a group that can organize for communication and issues that affect our community. The SLCA is not a HOA (Home Owners Association), nor does it police issues between neighbors, it will, however, bring up common issues at times for awareness purposes (such as water quality information).

The cost to join the SLCA is just \$60.00 per year. If you know of any neighbors that are not members (maybe new neighbors), please tell them about the organization, and maybe print out and hand them a copy of the newsletter. Thank you!!
